1. "The M/S 'Oksywie' which communicates between Amsterdam and Polish ports in the Baltic and had been known to be the most loyal ship of present Poland recently got a new crew consisting exclusively of ZMP members. Even the captain, Jozef Kunicki, belongs to that Communist youth organization. He received special political training before appointment to his new post.
2. "Only a few members of the experienced old crew are left on the ship. They are scheduled to be replaced in the near future."
